

MARIJUANA: NO BIG DEAL FOR KIDS...OR IS IT?

Tuesday, March 5
9:15a – 11:15a

Tuesday, March 12
6:30p – 8:00p

Time to Open Your Eyes to This Generation's Pot

Parents and teachers, a lot has changed since marijuana became legal in Colorado. Join PIN for our March presentations which will feature a panel of professionals with specific expertise in the area of drugs and youth culture. At this presentation, you'll learn about:

- **What's going on inside and outside of school**
- **The potency of today's pot and methods of intake**
- **Pot's effect on the adolescent brain**
- **Vape pens & JUULs—what's in them?**
- **How to have an impactful conversation with your child**

About our Panelists

Presentations will feature experts in the field, including Henny Lasley of Smart Colorado; Dr. Chris Rogers (3/5 only), Medical Director of Child & Adolescent Services at The Medical Center of Aurora; Child and Adolescent Psychiatrist Dr. Daniel Nicoli (3/12 only); and Lynn Reimer, Chemist & President of ACT on Drugs (3/12 only).

Parents, educators, **middle & high schoolers** and community members

are welcome and encouraged to attend this **FREE** presentation. No need to RSVP—just come!

Location: 14603 E. Fremont Ave, Centennial, CO

(South of Arapahoe Rd., between Potomac and Jordan Roads)
